Average of all numbers in a list
386
64.33
Average of all numbers in a list
Enter the numbers: 686 96 46 9
209
-----

Number of even numbers in a given list
74 94 28 84 854
Number of even numbers: 5
Enter the values: 52 24 85 98 15
52 24 98
Number of even numbers in the list: 3
-----

Enter the number: 17
17 is a prime number
